

USER VOICES GROUP

Too often a small group of people have a disproportionately large voice. We want to hear from **all** our clients, which is why User Voices is important. Reporting directly to our Board, User Voices scrutinises organisational methods for the ongoing review and development of DHI.

We have a number of vacancies on the forum which meets quarterly via Zoom.

If you are interested, please email SHughes@dhi-services.org.uk or speak to your DHI support worker.

Make a difference. Join our User Voices group.
